LBJ: Lindon B Johnson: The noblest search is the Search for excellence. Yesterday is not ours To recover, but tomorrow is ours to win or lose. If one morning I walked on top of the water Across the Potomac River, the headline that Afternoon would read: "President Can't Swim."

Peace is a journey of a thousand miles and it must be taken one step at a time. I have learned that only two things are necessary to keep one's wife happy. First, let her think she's having her own way. And second, let her have i.e. man without a vote is man without protection.

ML King Jr

If you can't fly, then run, if you can't run, then you walk, if you cannot walk then you crawl, but ever you do, you to keep moving forward.

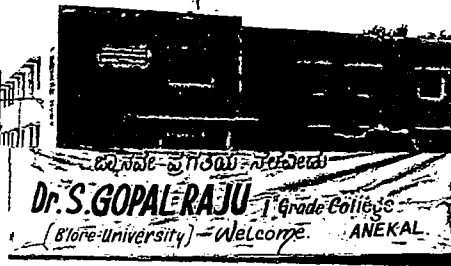

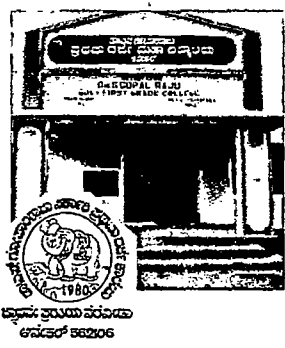

I have a dream that my four children one day live in a nation where they will not be judged by the color of their skin, but by the content of their character.

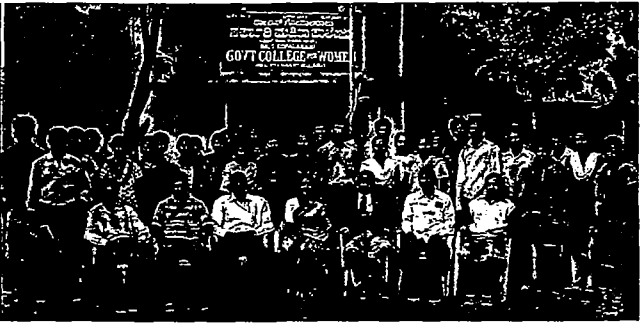

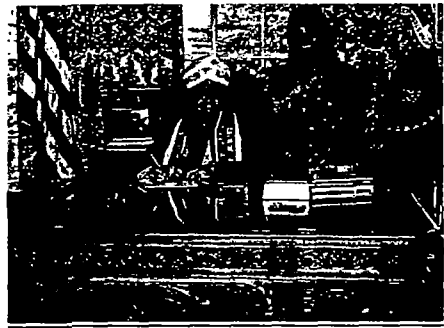

6. **Nelson Mandela:** 1st President of South Africa - follower of Gandhi and M L King Jr. Education is the most powerful weapon which you can use to change the world. I learned that the courage was not the absence of fear, but the triumph over it. The brave man is not he who does not feel afraid, but he who conquers that fear. It always seems impossible until it's Done.

Qualified in all aspects of Medicine and US History and Politics with no skeletons in my closet as in DJT and HRC. Whole world knows and 60 % Voters do not vote for them.

I request the Election Commission must force the two Candidates who are spending millions of dollars collecting from donors in spite of their no plans for the status of Health Care, Eradicating Hunger and Homelessness for over 40 Millions of Have -nots in this rich country in the World.

I have come up with 30 Propositions initially and I will have another 78 Proposition by October 15, 2016.

I also requesting you all as an 82 Year Disabled Surgeon similar to Disabled President F D Roosevelt, to rule as Independent Commissioners and neither Democratic nor Republican Presidential appointee. That itself is a partisan decision, and that happen in one election between GW Bush and Al Gore.

I watched all election results since 1954 and learned a lot of changes to be made in 2017 onwards.

In conclusion I need Federal Election Commissioners Protection from to WIN on November 8, 2016 and to become the President on January 20, 2017 to **Service to the Humanity is Service to God almighty** who created this Universe for all living and non - living objects like mountains, trees and rivers and oceans. Men and women are misusing. We cannot stop Hurricane, Earthquake and other cyclones etc.

I was born in Anekal on September 1, 1934 where the first set of few aero planes built in 1897 by Subba Raya Shasthri and flown in Bombay Shores and the British Government did not support him. (Google). Anekal must be recognized as # 1 in Aeronautics town. The Wright Brothers built in 1903. In USA. (Google) six years later.

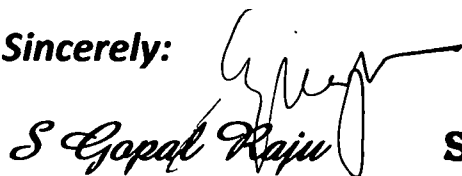

I left Anekal on July 10, 1963 to USA and on that day I decided to build a College for poor girls and boys who could not have gone to get college education. I built in 1980. Now 700 students have enrolled, whereas the Trump University was closed and Trump got benefited millions of dollars.

More like this good news are narrated by me in my DVD disc FEC. Please look at my face in about 50 minutes.

I toured 10 states from August 20 – 30 TX, OK, MO, IL, IN, KY, MS, AK and TX and met hundreds of voters and presented my flyers and discussed all issues facing this Nov 8, Election on Candidates. About 95 % of them do not like to DT or HC. They are waiting for another Independent Candidate like me and they will vote for me. That made me to decide to enter the race as a Write -in Candidate only way I can become the next President to save USA as one USA and not divided USA like now.

I was reborn on July 4, 2002 from Heaven in Fort Wayne Lutheran Hospital on July 4, 2002 after 41 days in coma and nearly died with MOFS (Multiple Organs Failed Syndrome.

Sincerely:
