This amendment is in response to the Request for Additional Information dated Nov. 8, 2012. A number of additional identification information, including employer and occupation data, for donors was added to the report. The original requests for this information with the original solicitations did not provide any of this information. For those donors who are still missing employer and occupation information, the Committee has sent letters clearly asking for this information, informing them of the federal law for reporting such information and included return envelopes. These letters are requests for information only and do not include any type of donation solicitation. All responses received by the Committee have been included in this amendment. Also, in this amendment the aggregate amounts of the individual donors were recalculated to include only the donations from 2013. The previous report included donations from 2012 in the aggregate amounts of the individual donations.
