RE: Response to Educational Class on July 22nd, 2021

Dear Chris Jones:

In response to the apparent excessive contributions received from Brad Hassen, Larry Matteson and Andres Soriano. The contribution refunds were made to the donors for \$200.00/each. Since the contribution refunds were under \$200.00, they were not reported as itemized expenses on the report. They fell under the unitemized portion of the report. Marc Shapiros General 2020 contributions total \$2,696.00, which is within the limits for the 2020 cycle:

03/12/19 \$500.00 G2020
05/31/19 \$500.00 G2020
05/21/20 \$500.00 G2020
06/21/20 \$500.00 G2020
07/01/20 \$599.00 G2020
07/21/20 \$500.00 G2020
08/01/20 \$599.00 G2020
08/21/20 \$500.00 G2020
09/01/20 \$599.00 G2020
09/21/20 \$500.00 G2020
10/01/20 \$599.00 G2020
10/01/20 -\$500.00 G2020
10/21/20 \$500.00 G2020
10/21/20 -\$500.00 G2020
11/01/20 \$599.00 G2020
11/01/20 -\$599.00 G2020
11/03/20 -\$2,700.00 G2020

In response to the apparent excessive contributions made to federal committees, the committee has reached out and requested a refund from Patriots for Perry for \$2,000 and Jeff Duncan for Congress for \$2,000. Mowers for Congress contribution on 7.30.2020 was erroneously reported as a General 2020 contribution, but should have been reported as a Primary 2020 contribution.

In response to the incorrect column B figures for the July 2020 Quarterly report, an amendment has been filed to fix the Column B mathematical issue of \$18,830.60.

In response to the missing 48-hour reports, this issue has already been addressed in previous form 99 responses. This was due to the deposits in transit not originally being correctly reported with the processed date. These were amended with the correct date after the 48-hour reporting window closed.

There may be additional amendments filed if we find any further issues with the 2020 cycle reports.
