This amendment discloses an additional \$639.44 in in-kind contributions of which the Committee was unaware prior to filing its original report. An additional \$100 in ordinary receipts which were inadvertently omitted are also included. Additionally this amendment responds to a Request for Additional Information dated June 21 2018 requesting information on potentially excessive contributions and contributions from unregistered organizations. The Committee has made with permission where required redesignations and reattributions to address the three potentially excessive contributions. The Committee has also verified that the contribution from unregistered organizations were made with permissible funds.
