There is an error in the pop up for this form's submission. it sayd "Are you sure you want to submit this report electronically? Filing a Form 1 through this system constitutes an electronic filing. " when it should say Form 2. since that is the form I am submitting. How come it took an Engineer and not one of the MANY lawyers who likely have filled this out form online to discover this. Are all the prior submissions even valid and is this one even binding since they aren't submitted based on affirming desire to submit a FORM2? I will declare here that my intent is to submit a FORM2 when I click submit of this Online form. PJC "Cuz Pat"
