Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in enforcement action.** Additional information is needed for the following 1 item(s):

- Your report discloses the apparent disbursement of earmarked contributions outside the permissible time period. As a conduit or intermediary for an authorized committee, your committee must forward any earmarked contribution, along with a transmittal report, no later than ten (10) days after receiving the earmarked contribution. (11 CFR §§102.8(a) and (c) and 110.6(c) (1)(iii))

If the earmarked contributions were incompletely or incorrectly disclosed, you should amend your report with clarifying information.

Although the Commission may take further legal action regarding the untimely forwarding of earmarked contributions, your prompt action in addressing the concerns raised will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
