RE: Citizens For John Rutherford
Committee ID: C00615294

Dear FEC Analyst:

The above referenced Candidate Committee recently received the enclosed Notice from you indicating there was a problem with a contribution from a Joint Fundraising Committee, and there was a late reporting of a contribution that should have appeared on a 48- hour notice (Form 6). We have taken the following steps to remedy the issues:

1. We filed on December 2, 2020 an amended Form 6 reporting the last-minute contribution. The contribution was a direct deposit to our bank account and did not go through our normal procedures. We were unaware of the contribution at the time of the filing of the original report. As soon as we were made aware the contribution had not been reported, we filed an Amended Report on December 2, 2020 correcting the 48-hour report filed on October 16, 2020. We have taken steps to avoid this issue in the future including not allowing direct deposits to our accounts for contributions. We apologize for this over-sight.
2. The 30-day Post General Report for the period 10/15/2020 through 11/23/2020 had contributions from a JFC that were not reported as memo items on Schedule A Reporting Line 12. Today, January 6, 2021 we filed an amended report to correct this error. The error was a result of us not checking a box within our reporting software. I failed to notice the error at the time of the filing of the original report.

For your convenience I am enclosing a copy of the Amended 48-Hour Report and a copy of the Amended 30-Day Post General Report.

I trust this information will provide you the data needed to clear these issues. If additional information is needed, please contact me.
