Unfortunately, Citizens for Joe Kennedy may not accept this contribution and enclosed is a check in the amount of \$210.35. Federal campaign laws limit candidate committees from accepting more than \$1,000 from an individual per election. Thus, in a normal election cycle involving a primary and general election, an individual may give up to \$2,000 -- \$1,000 for the primary and \$1,000 for the general. Because your cash contribution designated for the primary election and your in-kind contribution for the primary election equal an amount greater than \$1,000, the Committee must refund the excess portion of your contribution. However, this will not preclude the Committee from accepting any future contribution from you for the 1996 general election if it is within the \$1,000 per election limit.

Thank you for your time and consideration. If you have any questions, please contact the campaign office at (617) 552-1994.

Sincerely,

Christine Montilio

Dear Herb,

Thank you for your in-kind contribution to Citizens for Joe Kennedy. Your support is very much appreciated.

Unfortunately, Citizens for Joe Kennedy may not accept this contribution and enclosed is a check in the amount of \$142.49. Federal campaign laws limit candidate committees from accepting more than \$1,000 from an individual per election. Thus, in a normal election cycle involving a primary and general election, an individual may give up to \$2,000 -- \$1,000 for the primary and \$1,000 for the general. Because your cash contribution designated for the primary election and your in-kind contribution for the primary election equal an amount greater than \$1,000, the Committee must refund the excess portion of your contribution. However, this will not preclude the Committee from accepting any future contribution from you for the 1996 general election if it is within the \$1,000 per election limit.

Thank you for your time and consideration. If you have any questions, please contact the campaign office at (617) 552-1994.

Sincerely,

Christine Montilio
