REFERENCE: YEAR-END REPORT (07/01/2021 - 12/31/2021)

Dear Mr. Fortkiewicz,

This statement is in response to the Commission's letter dated April 6, 2022, requesting additional information on two items related to the above-referenced report ("the Original Report").

First, the difference between the amount transferred from Save America Joint Fundraising Committee (C00770941) and the individual memo entries supporting the transfer constitute unitemized contributions. To the best of the Committee's knowledge, none of the unitemized contributors exceeded \$200 in aggregate for the calendar year. The Committee conducts continued and routine donor record maintenance. If during this routine donor record maintenance, the Committee identifies and merges the records of duplicate donors to reflect proper aggregates, the Committee will amend its report. The Committee has amended this report to add an entry showing the amount of unitemized contributions from the joint fundraising committee.

Second, regarding the activity on Schedule A supporting Line 17, this was a transfer from a conduit for chargebacks that occurred outside of the reporting period and mistakenly did not itemize. The Committee has itemized those chargebacks on the Amended 2021 Year-End Report.

Please feel free to contact us if you have any further questions.

Sincerely,

Bradley T. Crate
 Treasurer
