The first entry must disclose, as a memo entry, the information for the contribution as it was originally reported; the second entry must disclose, as a memo entry, the information as it has been redesignated or reattributed, including the date the redesignation or reattribution documentation was made/received by the committee (11 CFR §104.8(d)(2), (3), and (4)) The Committee should also provide the Commission with a copy of the signed documentation. See the attached sample of properly reported redesignations.

Redesignations of Contributions

Use *memo entries* to show any redesignations of contributions.

If a contribution to a candidate is redesignated after the close of books, show the redesignation on the next report and indicate the report on which the original contribution was itemized.

In this illustration, the committee originally made a \$5,000 contribution to a candidate's campaign, intending it to count toward the primary election. The committee itemized the contribution in its year-end report. The following month, the campaign requested that the SSF redesignate \$4,500 to help retire debts from the previous general election campaign. The committee itemized the redesignation in its April quarterly report.

Return or Refund of Contributions Made

If an SSF receives a refund of a contribution it has made, it must report the refund in one of two ways, depending on the circumstances described below.

Contribution Made by SSF: Original Check Not Deposited

If a check to a candidate committee or other political committee is not deposited (e.g., if it is returned uncashed or is lost), report the amount as a *negative entry* on a Schedule B for Line 23, "Contributions to Federal Candidates and Other Political Committees." (The amount is subtracted from the total for Line 23.) An example is illustrated at right.

Refunded by Recipient's Check

If the recipient committee deposits the contribution and then refunds it with its own check, itemize the refund, regardless of amount, on a Schedule A for Line 16, "Contribution Refunds."

Refunds Made by the SSF

When an SSF refunds a contribution to a donor, the committee must include the disbursement in the total for the appropriate category of refund on the Detailed Summary Page (Line 28(a), (b) or (c)). If the SSF previously itemized the incoming contribution on Schedule A, then it must itemize the refund on a Schedule B for the appropriate line number. 104.8(c)(4).

(An SSF may return a contribution to the donor without depositing it, although the return must be made within 10 days of the treasurer's receipt of the contribution. 109.3(a). In this case, the committee does not have to report either the receipt or the return of the contribution.)
