Our campaign committee account was originally "hacked." Hence, the reason for the amendments. It is also worth mentioning, most of our websites and social medias are compromised at the moment and in the process of being recovered/redone. It has been a very difficult decision to continue our campaign with all the unfair/evil obstacles we've already faced. However, we are determined, now more than ever, to reorganize, recover, and make congress competent again come this November! Please e-mail one of us if you have any questions or concerns about our campaign Facebook, which has been hacked for the past few months, along with the accounts of myself, the Treasurer, Gabriel G., and Mackenzie. We were able to retrieve our personal accounts but Karen still has not, and the former email, benmoyalk@gmail.com, which was listed, is totally compromised and cannot have any further contact or connection to our campaign since it is still being held hostage, along with the Karenforalofus2020 Facebook Account, and Instagram is connected to it as well, we are doing what we can to resolve all the issues for our campaign first and foremost, and then plan to get Karen back into her websites. We have secured our legal accounts but have yet to get back our socials. Please feel free to let us know if there is anything further we can do to speed up the process of getting a hold of these Google, Instagram, or Facebook employees since the former committee ID is still the one hooked up to the campaign page account and has been inaccessible since around April 30 for Karen. Very much appreciate your time and support over these issues and trying times. Despite the strife, we learned a lot about cyber security issues and just how severe the growing problem is in today's America, and growing rapidly around the world. We very much look forward to the rest of this campaign cycle, in which we will be utilizing the tools and knowledge we gained through all the suffering, in hopes of running a pure independent, hopeful, successful victory this November--- for, of, and by the people--making 2020 OUR Year, the PEOPLES Year. Thanks to FEC for all your help and diligence along the way.
