RE: 12 Day Pre-Primary Report (7/01/2022-8/03/2022)

Dear Denise Stilla:

This letter is in response to the Commission's request for additional information regarding four items.

1.Regarding contributions that exceed the limits set forth in the act, three committees were noted:

a.Frontline USA: The 8/2/22 contribution for \$1,000 was reported incorrectly due to a data entry error and has been corrected on the amendment.

b.Jobs, Education & Families First: A duplicate record has been identified. The committee reviewed their records and an amendment has been filed to correct the error.

c.PAC to the Future: The contribution was mis-reported due to a data entry error. The period has been corrected on the amended report.

2.Regarding contributions from Delgado for Congress, the allocation was reported for two periods due to a software error. An amendment has been filed to clarify the periods.

3.Regarding contributions from unregistered organizations, confirmation of permissible funds was not received within 60 days and refunds have been issued. Refunds will be reported on the Post-General report.

4.An amendment has been filed to correct Column B totals.

If you have any additional questions, please feel free to contact the Committee.
