Response Due Date
11/03/2022

IDENTIFICATION NUMBER: C00652628

REFERENCE: JULY QUARTERLY REPORT (04/01/2022 - 06/30/2022)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

1. Schedule A of your report discloses a transfer(s) from the joint fundraising representative committee "Democracy Defenders." However, there are no memo entries supporting the transfer.

Please be advised that when a committee receives a transfer from a joint fundraising representative, the committee must report its share of net proceeds received from the representative as a transfer-in on Schedule A supporting Line 12. A memo schedule A must be provided to itemize the committee's share of the gross contributions received through the joint fundraiser. The memo schedule should itemize each individual who has contributed an aggregate in excess of \$200 during the election cycle and all political committees, regardless of the amount of the contribution. (11 CFR § 102.17(c)(8)(i)(B)) When itemizing gross contributions, the committee must report the date of receipt as the day the joint fundraising representative received the contribution. (11 CFR § 102.17(c)(3)(iii))

Please amend your report to clearly indicate which supporting memo entries correspond to each transfer.

- Please be advised that the FEC Committee ID numbers for the following contributions from political committees appear to be incorrect: NARAL Pro-Choice America (C70002761) and International Association of Fire Fighters (C70003108). Use of incorrect FEC Committee ID numbers may create

difficulty in identifying the contributing committee for the public record. (11 CFR § 104.3(a)(4))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
