STATEMENT OF CANDIDACY

It is my intention to arouse the populace, the rich and the poor that the Constitution and the Declaration of Independence was written for all Americans and not the selected few.

It is for this reason that these two very strong and firm in its belief that God in his Just and loving gift, that this great nation must not forget we were formed to learn of his love and that He gave all of us the right to learn and to worship him as you feel as just. For He knows your heart.

Education is vital for learning how to think. It should not dictate what to think. But to question, seek the answer. Do not be afraid of the answers you find but to question the answers you find. Are they true?

We need to find a way to secure our borders. It is one thing to sit in Washington and say, You Southern states have a serious problem and we will not help you. And the governor of a sanctuary city wants to defend the police because the crime is too high and the jails are too full so we release them back to the streets. It is amazing how those in the leadership cannot grasp of what is happening in their cities. You can not fight crime with kid gloves and be afraid of offending the suspect of the wrong doing. If the evidence is strong against him, Bring him to trial.
