Identification Number: C00367995

Reference: October Monthly Report (9/1/06-9/30/06)

Dear Mrs. Akman

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule B supporting Line 28(c) of your report discloses negative entries for apparent contributions your committee made to federal candidates and committees, where the check written by your committee has either been voided or refunded by the recipient. Please be advised, if the check written by your committee was not cashed, you should itemize the voided check on Schedule B supporting Line 23 as a negative entry. Alternately, Schedule A supporting Line 16 should be used if the recipient cashed your check and wrote a refund on its own account. This method of reporting would clarify for the public record the total amount of receipts/disbursements and more accurately reflect the cash-on-hand amount. Please amend your report to properly disclose this activity or provide clarifying information.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
