Reference: 12 DAY PRE-PRIMARY REPORT (04/01/2026 - 04/22/2026)

Dear Ms. Lauren Schleyer:

This response pertains to the Commissions Request for Additional Information (RAI) dated July 1, 2026 concerning Pete Ricketts for Senate (the committees) 12 Day Pre-Primary Report filed on April 30,2026.

In regard to the first item identified in your letter, contributions in question on Schedule A of the Committees report were properly reattributed and redesignated within 60 days of the date of receipt and will be reflected accordingly on the July quarterly report due July 15, 2026. If the Committee did not receive the necessary donor acknowledgement for either reattribution or redesignation of an excess contribution, the contribution was refunded within 60 days of the date of receipt.

In regard to the second item noting Column B discrepancies, the Committee determined that the election cycle-to-date totals on the current report were correct. The discrepancies originated on prior reports due to an error affecting the calculation of the Column B election cycle-to-date totals. Those prior reports have been amended to correct the Column B figures. As a result of those amendments, the Column B totals on the current report now correctly equal the Column B totals from the previous report plus the Column A activity reported on the current report.

Please feel free to contact me if you have any additional questions concerning this matter.

Sincerely,
Danny Peppe
Treasurer
