This submission is in regards to the Commission's letter dated September 4, 2025 regarding Amanda Edwards for Congress's (the "Committee") July Quarterly Report (04/01/2025 - 06/30/2025):

Item 1: Apparent overlimit contributions have had their election cycle updated, reflected on an amended July Quarter Report.

Item 2: Although the Committee is actively in the 2026 Primary Election and therefore maintains it is entitled to the contribution limit and can accept in-kind contributions for this election, the noted in-kinds have been reimbursed to the donors in October 2025, reflected on the 2025 Pre-Special Election FEC Report.

Item 3: An amended July Quarterly report has been filed to adjust the P2025 contribution to P2026.

Disbursements to "ActBlue, LLC" and "Democracy Engine LLC." are for service fees related to collecting donor information. Neither entity served as conduits.

I hope that this information adequately answers your question. If you need any additional information, please contact the Committee.
