Dear Bradley:

Josh Hawley for Senate (FEC ID# C00652727) is in receipt of your Request for Additional Information dated Nov 1, 2023, referencing our Oct quarterly FEC report for the period of (7/1/23-09/30/23).

With respect to the items identified in your letter, the Committee responds as follows:

Item 1: Redesignation/Reattribution of Contributions from Individuals

- Jahns, Richard- The Committee has amended the Oct quarterly report to delete a \$50 memo entry on 9/20/23 showing a negative transfer from the general to the primary that was incorrect.
- Langenberg, Harry—The Committee has amended the Oct quarterly report to more clearly indicate via memo entries that a total of \$500 was redesignated on 8/7/23 from the Primary to the General from the original donation by Harry Langenberg on 6/30/23
- Slawson, Michele—The Committee has amended the Oct quarterly report to more clearly indicate via memo entries that a total of \$3300 was redesignated on 8/7/23 from the Primary to the General from the original donation by Michele Slawson on 7/8/23
- Ward, Nell—The Committee does not believe any amendment is warranted for this donor. The original donation which was reported on the July quarterly on 6/23/23 for \$500 to the primary was then referenced on the October Quarterly report as a memo entry. And then there are two additional memo entries that reflect the \$500 negative redesignation from the primary to the general on 7/1/23 and a positive \$500 memo entry on 7/1/23 to reflect the incoming donation redesignation to the general. However, the committee did add some clarifying information in the memo text to reference the dates of each transaction and how they tie back to each other.

Through this response, the Committee can confirm, as you requested, that the appropriate steps are being taken for each donation or issue in question and no further action is required under Commission regulations for these particular contributions at this time.
