Please note: the 3/25 payment to Richmond County District Attorneys Office is from travel that was originally planned to be for official District Attorney office work. Due to a schedule change, the travel ended up being campaign related, so the campaign reimbursed the District Attorneys office in full for the travel expenses. All debt disclosed on this report was paid shortly after close of books, and will be shown as paid down on the next report. The Committee has demonstrated the necessary steps to establish best efforts to obtain and disclose the full identification, address, employer and occupation of all individuals who contribute in excess of $200 in an election cycle. These efforts include a clear request with the original solicitation, followed within 30 days by a Request for Missing Information Letter, which clearly asks for the missing information, without soliciting a contribution. In addition, the letter reads: Federal law requires us to make our best efforts to collect and report the name, mailing address, occupation and name of employer of individuals who contribute in excess of $200 in an election cycle. We then enclose a self addressed envelope and include a telephone number to reach the committee with any questions. A second Request for Missing Information letter is sent if we do not receive the information in a timely manner. In the event that we receive additional information from contributors whose information was not originally disclosed, we will amend the appropriate report to reflect the additional disclosures properly.
