Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the Statement of Organization referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received by the response date noted above.** Additional information is needed for the following 1 item(s):

- It appears you have selected an incorrect committee type on your Statement of Organization (FEC Form 1). The candidate already has a Principal Campaign Committee registered with the Commission. Please file an amended Form 1 to clarify whether this entity is a committee authorized by the candidate or a political action committee (not authorized by the candidate). (11 CFR § 102.2(a))

Please note you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

A copy of FEC FORM 1 can be downloaded from the FEC website at <http://www.fec.gov>. For additional information about the report review process or specific filing information for your committee type, please visit <http://transition.fec.gov/rad/>.
