Please note that our committee follows all federal regulations, including those found at 11 CFR 104.7(a) governing the solicitation of contributors. This committee specifically requests all pertinent information from contributors, including employer and occupation; informs contributors that the committee is required by law to report the same; and, makes a follow-up request for omitted information when necessary. The committee thus complies with the best efforts rules.

This report has been amended to respond to the RFAI for October Quarterly Report (07/01/2016 - 09/30/2016), dated May 24, 2017.

With respect to item 4, the Committee acknowledges once again that it failed to file 48 hour reports. The failure occurred because the direct mail firm that was responsible for the mailing failed to follow established protocol requiring that firm to advise the committee in advance of each mailing of date of the mailing and estimated costs of the mailing. Consequently, the committee did not learn that the three mailings had been publicly disseminated until it reviewed the financial data in connection with the preparation of its quarterly report. The direct mail firm has acknowledged to the committee that it erred in failing to follow the established protocol and has given the committee assurances that the error will not be repeated. The report itself identifies each of the independent expenditures for which a 48 hour report was not filed.
