Re:Morgan McGarvey for Congress (ID: C00791392)

Dear Mr. Jones:

This is in response to your letter dated August 30th, 2022 regarding Morgan McGarvey for Congress ("the Committee?").

You asked about two contributions that were not reported during the 48-hour reporting period. Due to a clerical error, the contribution from the Insulators International PAC was inadvertently reported for the check date, and not the date received, which was after the 48-hour reporting period ended. An amendment will be filed to correct this error. The contribution from Progressive Majority PAC was in fact missed during the 48 hour period. The Committee takes seriously its obligations to report financial activity in an accurate and timely manner, and will implement policies to avoid future oversights.

We hope this adequately answers your questions. If you have any additional questions, please contact the Committee.
