The following facts should be known about American Socially United (FEC Committee ID #: C00572537 hereafter referred to as ?PAC?):

1. PAC has not been active since March 31, 2016.
2. PAC has been in correspondence with FEC about changes, events, and activities that may have caused delay in required report filings.
3. PAC is in the process of amending FEC report filed for June 30, 2015 deadline due to financial updates and accounting errors as a result to technical issues with filing software.
4. PAC receipts, deposits, and records were stolen and compromised by a third party in March 2016. This information has been reported to FEC in previous communication.
5. PAC is working to file past due FEC reports despite the compromised and stolen content required to complete necessary filings due.
6. PAC received a letter to cease and desist from Bernie 2016, Inc. on June 13, 2016 regarding an intellectual properties dispute. Bernie 2016, Inc. was contacted by PAC on June 13, 2016 regarding the disputed issues, including the change of registered name of PAC from ?Bet On Bernie 2016? to ?American Socially United? on June 18, 2016, along with updates or modifications to related intellectual properties bearing the previous name of PAC. It is therefore understood that the matter was cured and PAC had no further contact with Bernie 2016, Inc. regarding the disputed matters from the cease and desist letter in June.
