On July 16, 2004 we received a contribution from William S. Hall in the amount of \$15,000 which was deposited into our federal account. Ten thousand dollars was transferred to our non-federal account on 8/18/04 which can accept unlimited contributions from individuals. A letter was sent to William S. Hall on 8/18/04 to advise him of how his deposit was split into our accounts and to offer him a chance for a refund. According to AO 2001-17, the Commission has deemed it sufficient to deposit checks exceeding the federal limits into a federal account and then to make a transfer to the nonfederal account of the portion that exceeds the federal limit.

It appears that the independent expenditure calculations for the year to date totals per election for office sought is incorrect. The amounts appear to be combined totals for both the primary and the general election disbursements. As of 8/31/04 the primary election paid totals for President Bush should be \$8,719.14 and the general election paid totals for President Bush should be \$4,375.65.
