REFERENCE: AMENDED 30 DAY POST-GENERAL REPORT (10/15/2020 - 11/23/2020)

Dear Mr. Bennett:

This statement is in response to the Commission's letter dated April 12, 2021 regarding four items.

First, the Committee did amend its report to add additional receipts and disbursements. As the Committee mentioned in its Form 99 filed on April 14, 2021, I was and I am still suffering from serious health problems. As a result, our Committee has procured the services of a professional compliance firm to assist with FEC reporting and prior period Amendments. During the compliance firm's review of the prior period, they concluded that Amendments were required to include that additional activity.

Second, in the Amended report being filed concurrently with this response, the Committee has itemized any required vendors stemming from credit card payments.

Third, the payments disclosed on Line 30(b) of Schedule B for 'CAMPAIGN MAILERS' and 'MEDIA CONSULTING' were either for exempt party activities, or general GOTV or voter registration purposes. The Committee has amended its report to clarify the purpose descriptions, where needed. The activity was not attributable to any federal candidates.

Fourth, the purpose description for the referenced disbursement has been clarified in the Amended report being filed concurrently with this response.

Please feel free to contact us if you have any further questions.

Sincerely,
Michael G. McCutchin
Treasurer, Oklahoma Leadership Council
