Dear Mr. Harkins:

This letter is in response to your requests for additional information dated November 6, 2024.

- 1.Your letters indicated that the Committee may have failed to disclose the original earmarked contributions received through a conduit. All earmarked contributions received through conduits from donors with aggregates that exceed \$200 cycle to date are accurately itemized on all filings. For the above referenced reports, the unitemized chargebacks are lowering the unitemized totals on the summary pages which causes the total Winred versus the total Winred itemized to appear inconsistent. However, all contributions are accurately disclosed.
- 2.The redesignation noted as not appearing in the correct format is being corrected and will be disclosed on an amended report.

Thank you for bringing these items to our attention.

Sincerely,

Lisa Lisker
Treasurer
