Dear Ms. Rosenfeld:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Column B figures for the Summary and Detailed Summary Page information should equal the sum of the Column B figures on your previous report and the Column A figures on this report. Please file an amendment to your report to correct the Column B discrepancies for Line(s) 6(a), 6(c), 7(a), 7(c), 11(a)(iii), 11(c), 11(e), 16, 17, 18, 21, 22 and all subsequent report(s) which may be affected by this correction. Note that Column B should reflect only the election cycle-to-date totals. (2 U.S.C. § 434(b))

-The beginning cash balance of this report does not equal the ending balance of your amended July Quarterly report, received 8/31/06. Please correct this discrepancy and amend all subsequent reports(s) that may be affected by the correction. (2 U.S.C. § 434)(b)(7))

-A review of your itemized receipts indicates a discrepancy in your aggregate election cycle-to-date totals. The reported aggregate totals on your report should include all contributions from an individual or committee given in the election cycle. Please review your procedures for compliance with this requirement and amend your report(s) as necessary. (11 CFR § 104.3(a)(3))

-On Schedule B of your report, you have itemized disbursements for which you have failed to include the purpose. Please amend your report to include the missing information. (11 CFR § 104.3(b)(4))

-Commission Regulations define the term "purpose" to mean a brief statement or description of why a disbursement was made. Examples are "dinner expense", "media", "salary", "polling", "travel", "party fees", "phone banks", "travel expenses", "travel expense reimbursement" and "catering costs". Examples of election day and voter registration activity include "exit polling", "door-to-door get out the vote", "get out the vote phone calls" and "driving voters to the polls". Unacceptable descriptions, which require additional clarification, include but are not limited to "advance", "consulting", "commission", "contract labor", "retainer", "election day expense", "expenses", "invoice", "support", "expense reimbursement", "miscellaneous", "professional services", "get-out-the-vote", "voter registration", and "car equipment". (11 CFR § 104.3(b)(4)(A)) Please amend Schedule B of your report to correct the descriptions that do not meet the requirements of the Regulations.

Please note you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
