There is a one time adjustment to Cash on Hand (COH) in the amount of \$4,612.73 reflected on line 21 of the Termination/FEC form 3 Quarterly report. After a thorough review of all campaign books, records and transactions, the former Treasurer, Betsy Roe, and the current Treasurer were unable to reconcile this discrepancy as it is believed to have occurred in the 2013-2014 election cycle. The bank account has consistently been \$4,612.73 less than the COH. There is no reason to suspect fraud or unauthorized transactions and the Committee no longer maintains records for transactions in that election cycle.
