This amendment is in response to the Commissions preliminary review of the Year-End Report 2019.1. The detailed summary page has been corrected to reflect the correct Column B election cycle to date totals. The updated numbers were not correct due to a database glitch. 2. We have made efforts to provide the missing information with regards to donor occupations and employers. While we have been making serious efforts to collect this information on large dollar donors, the small donation givers aggregated have presented challenges with gathering this information. We will follow the Commission's 3-prong approach outlined in this letter for the future to continue to make best efforts. Letters will be sent to Donna Draher and James Rea to further attempt to collect the data required.
