Dear Mr. Furman,

This submission is tendered in response to the Federal Election Commission’s Request for Additional Information (RFAI) dated January 11, 2026, pertaining to the Committee’s October Quarterly Report - covering the reporting period July 1, 2025 through September 30, 2025.

The Committee hereby affirms it has corrected Column B totals for the Summary and Detailed Summary Pages and has amended any and all subsequent reports in compliance with (52 U.S.C.§ 30104(b) and 11 CFR § 104.3). Omission was due to a software error.

The Committee hereby affirms that each contribution identified in the Commission’s RFAI has been addressed in strict conformity with the requirements of the Federal Election Campaign Act and the Commission’s implementing regulations. All corrective measures - including refunds, redesignations, and reattributions - have been, or will be, effectuated within sixty (60) days of the date of receipt of the contribution, as prescribed by and in compliance with 11 C.F.R. §§ 103.3(b), 110.1(b)(5), and 110.1(k)(3).

Furthermore, the Committee confirms that all contributions received from limited liability companies (LLCs) were verified to constitute permissible partnership funds. Consistent with the mandates of 11 C.F.R. § 110.1(g) and the Committee’s “best efforts” obligations under 11 C.F.R. § 104.7(b), partner attributions were solicited and will be recorded as required.

For the avoidance of doubt and to facilitate the Commission’s review, the Committee has prepared the accompanying point-by-point record. This appendix details, for each contribution flagged in the Commission’s RFAI, the contributor, date, amount, and the specific corrective action undertaken. Please do not hesitate to contact me with any questions or concerns you may have.

Sincerely,
John Plishka, Treasurer
