Reference: 30 Day Post-General Report (10/17-11/25/24)

Dear Mr. Harkins:

This letter is in response to your request for additional information dated February 5, 2025.

1. Your letter indicates that the Committee may have failed to disclose the original earmarked contributions received through a conduit. All earmarked contributions received through conduits from donors with aggregates that exceed \$200 cycle to date are accurately itemized on all filings. As reflected in this report Speaker Johnson has immense support from small dollar contributors. Mike Johnson for Louisiana is aware that contributors who aggregate to more than \$200 in contributions and in earmarked contributions during the election cycle must be itemized on disclosure reports. The Committee understands that these itemizations should include the full name, mailing address, employer and occupation of each contributor, and in the case of earmarked contributions, must include the date the contribution was received by the conduit. The Committee has confirmed that all contributions that were required to be itemized were, in fact, itemized on the report. Mike Johnson for Louisiana will continue to accurately report and itemize all such contributions on future reports.
2. Your letter indicates that the transfer of joint fundraising receipts from Grow the Majority NY did not include a memo Schedule A disclosing the original contributors to the joint fundraising committee. The transfer in 2024 from this joint fundraising committee included funds held to cover potential expenses and all contributors were previously disclosed on the 12/31/23 transfer. The sum of the memos listed on the 12/31/23 transfer exceeds the sum of the net transfers in 2023 and 2024.

Thank you for bringing these items to our attention. Please do not hesitate to contact us if further information is required.

Sincerely,

Lisa Lisker
Treasurer
