Feb 7 94 AM '96

Enclosed please find our year-end report. It is considerably larger than our normal reports due to the increased activity of the New Hampshire Presidential Primary election on 2/20/96. Below I have made some notes which may provide helpful information in reading the report.

Schedule A Line 15 & Schedule B Line 29

I inadvertently put four NH Democratic State Committee checks into the printer when I was printing personal checks. The checks were mailed without my noticing. One of the checks was a contribution to the party and the mistake was noticed before it was deposited. The other three checks (GMAC, GM Card and AMEX) were cashed before we discovered the mistake. As soon as the mistake was discovered I wrote a check for \$1370.85 which was deposited in the federal account. The three checks and the corresponding reimbursement are shown on these two schedules.

Schedule B Line 22

FEC Reports Analysis pointed out on our midyear report that we had accepted contributions from several non-federally registered PACs. The transfers on 12/18 and 12/26 are the checks shown in our response to the midyear report query. Once we understood the mistake we looked for other, similar mistakes we made since. We found several more (many of the same PACs) such questionable deposits. The check on 12/24 corrects those errors. The check on 12/23 corrects our error in depositing a check from Steven Grossman which was marked as non-federal. I have attached copies of these checks which identify the questionable contributions.

To make this problem more complex, these checks were actually deposited after 1/1/96 and were mistakenly placed back in the federal account. I immediately issued replacement checks and made certain they were deposited in the non-federal account (these will appear on the Q1 report). In addition, I found another case of a questionable contribution in compiling the year-end report. A transfer was made to correct that error. Copies of these checks are attached to the report as well.

Schedule B Line 21b

The checks to Direct Response are for a campaign to identify voters who will vote if provided with an absentee ballot and instructions on how to submit it. While this will be of use to all of our candidates in future elections it seemed appropriate to classify it as a federal expense because the election which provides the vehicle is primarily federal (NH Primary 2/20/96).

Schedule A Line 11a

Attached are several names of contributors to the State Democratic Party Victory Fund, a joint fundraiser between the state party and the DNC.

Schedule H4

We have an ongoing effort to compile a voter file. In New Hampshire this requires getting the list from each town clerk. I segregated all of these small checks from the other checks.

Sincerely,

Keith A. Regli, Treasurer
New Hampshire Democratic State Committee
