Reference: Year-End Report (11/29/22-12/31/22)

Dear Ms. Stilla:

This letter is in response to your request for additional information dated April 4, 2023.

Your letter indicates that several of the employer and occupation entries have incomplete or missing information and that the full name of each donor is required. The Committee does follow the three-fold process of best efforts required to meet the Commission standards.

Every solicitation includes a clear and conspicuous request for contributor information and informs the contributor of the requirements of federal law for the reporting of such information. If the information is not initially received, within 30 days of receipt, the contributor receives a request to provide this information. Any follow up request clearly asks for the missing information and does NOT contain a solicitation for a new contribution. These requests are generally made by phone and email and by letter. This request restates the requirements of federal law for reporting of such information. If the request is sent by mail, it includes a pre-addressed return envelope.

If the information is received by the Committee, it is updated and the affected report will be amended to reflect the new information or the Committee will submit the new information via miscellaneous filing. The above referenced report has been amended to include any updated donor information.

Thank you for bringing this to our attention.

Sincerely,

Lisa Lisker  
Treasurer
