Dear Ms. Hannan:

This is in response to your letter of January 14, 2013, regarding the Amended 30-Day Post-General Report (10/18/2012-11/26/2012).

The date of the in-kind contribution was October 18, 2012. As we noted in the Amended report, we did not receive notification of the in-kind contribution from the Democratic Congressional Campaign Committee until October 24, 2012, which was already beyond the 48-hour reporting period. We are very diligent in our reporting, but this particular instance was beyond our control.

If you need any additional information regarding this issue, please let me know.

Sincerely,

Laura T. Almquist
Treasurer
