Reference: April Quarterly Report (1/1/26-3/31/26)

Dear Mr. Harkins:

This is in response to your request for additional information dated June 7, 2026 and received by the Committee on July 15, 2026.

1. Your letter indicates that the Committee disclosed one or more contributions that appear to exceed the limits set forth in the act. The Committee is aware of the contribution limits. In the case of an individual, if the contribution cannot be presumptively reattributed to a spouse or redesignated to a subsequent election, the Committee either sends a verified reattribution letter or refunds the excessive portion within 60 days of receipt. The Committee sends all presumptive reattribution and redesignation letters within 30 days of receipt and always gives the donor the option of making a change or requesting a refund. When the Committee receives contributions from other political committees that cause an excessive total, the Committee contacts the other political committee and requests a verified redesignation. If this is not received, the Committee issues a refund. All donors listed as excessive in this letter have either been reattributed, redesignated or refunded. The following is a response to each contributor listed in your letter:

Sammy Best: The excessive portion was charged back through Winred in April 2026. This was disclosed on the July 15, 2026 FEC report and the donor is no longer excessive.

Paul Finger: A refund in the amount of \$3500 was issued 7/10/26 and will be disclosed on the Pre-Primary FEC report.

Sarah Finkelstein: The excessive portion was charged back through Winred in April 2026. This was disclosed on the July 15, 2026 FEC report and the donor is no longer excessive.

The entries are correctly itemized on line 12 because they were transferred back to an authorized committee.
