Re: "Best Efforts"

Dear Mr. Hartsock:

This is in response to the Federal Election Commission's analysis of the American's Against Illegal Immigration's FEC Disclosure Reports and your request for the committee's procedures concerning our request for and reporting of donor identification information.

Given that the majority of the contributions received are a result of direct mail solicitations and despite the fact that each appeal includes a clear and conspicuous request for the contributor information as well as occupation and employer; many of the donors do not provide that information on the initial request.

The committee has taken the following steps to satisfy the "best efforts" requirements: (i) we send a letter clearly asking for the missing information, without soliciting a contribution; (ii) we inform the contributor of the requirements of federal law for the reporting of such information; and (iii) we provide a return envelope, a fax number and an email address. Upon receipt of the information the committee amends its reports to provide the newly obtained information.

I trust that this response will satisfy the Commissions request for additional information. Please contact me should you require anything further.
