Hello, Im Travis Ingram. I want to run for P.O.T.U.S because it has been for too long, that the People of our Incredible Nation. Buil,fought, as well as died for. the Ancestors, For-fathers, and Fore-Mother's. The so many other great and truly inspiring men and women who constructed this way of life which has improved Societal structures, Laws, and Doctrines. The likes of which inspire the young and the old alike that HOPE is never fleeting. Courage is never ending. That Love for OUR Country, Fellow Citizens, and freedom for all, as well as from all forms of fear. Free of any forceful, always corrupt and violently dishonest quests for power, which are enacted on those who are less fortunate. Those who search for power and rule through fear or dishonesty, They are Cowards in the face of the Resillience of those who call The U.S.A home. No matter if they are native bor, or Those who seek this incredible truly Legendary Pride and Semse of Courage that drives and constantly pushes every American Citizen. Saying, Face all the fears and evils of this world And YES. Even Death itself with An unshakeable Defiance,And this primal,instinctual type of unbreakable will, and unwavering courage. It drives those who love this country to want to come to its defense when threatened, to point out the injustices which wish to shadow the brilliance of other nations, countries, states, provinces, cities(ETC)...with the shadow of Fear and corruption. The best thing that i know all of my fellow Americans still hold dear, no matter party affiliation, race, religion, creed, nor beliefs. Is that of the Safety and well being of Our children which takes priority. Our Elderly, the defenseles, those who are in Desperation, incapable, or those who have been stuck into the unescapable trap which is poverty. We allhate bullies and the majority of the american people regardless of the medias distinction of them. Would gladly lay their life down tto save another, they do not look away when the truth demands action, they are kind and generous warm hearted honest people who want to see everyone succeed in life and be happy and safe from crime, corruption, dishonest, or selfish leadership. They want the truth andd they want a president who is Truly OF THE PEOPLE, BY THE PEOPLE, AND FOREVER, FOR THE PEOPLE. As it should have always been
