In response to the RFAI, due date June 1, 2021.
Joe Brooks was over the limit, and the committee has refunded the amount that was over.
The amount contributed by Cyrus Mojibi came through a JFC, and should not have been transferred to the Valadao for Congress committee, but rather to the leadership PAC, Vitoria. This has been corrected and moved to the appropriate committee.
The contribution from the Pistachio PAC, should have never been a contribution to Valadao for Congress. The check was written to a different committee, and was not caught at the time of the original filing. It has since been corrected and the funds have been returned to the appropriate committee.
All necessary amendments have been filed.
Thank you.
