Identification Number: C00106146

Reference: April Monthly (3/1/94-3/31/94) and Amended April  
Monthly (3/1/94-3/31/94) Reports

Dear Mr. Jacob:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Records at the Commission indicate that your committee and your affiliates may have made contributions which exceed the limits set forth in the Act (pertinent portions attached). 2 U.S.C. §441a(a) precludes multicandidate committees and their affiliates from making contributions to a candidate for federal office which, when combined, exceed \$5,000 per election.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have made an excessive contribution, you should either notify the recipient and request a refund of the amount in excess of \$5,000 and/or notify the recipient, in writing, of your redesignation of the contribution. In the best interest of the committee, all refunds and redesignations should be made within sixty days of the treasurer's receipt of the contribution. Refunds are reported on Line 16 of the Detailed Summary Page and on Schedule A of the report covering the period during which they are received. Redesignations are reported as memo entries on Schedule B of the report covering the period during which the redesignation is made. 11 CFR §110.2(b)

Although the Commission may take further legal action concerning the excessive contribution(s), your prompt

action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

-Schedule B of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(a) precludes a multicandidate committee from making a contribution to a candidate for federal office in excess of \$5,000 per election.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have made an excessive contribution, you should notify the recipient and request a refund of the amount in excess of \$5,000 and/or notify the recipient in writing of your redesignation of the contribution. In the best interest of your committee, all refunds and redesignations should be made within sixty days of the treasurer's receipt of the contribution(s).

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund request sent to the contributor. In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding the excessive contribution(s), your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

-Please provide a Schedule A to support the entry reported on Line 16 of the Detailed Summary Page. All refunds received from federal candidates and committees must be itemized on Schedule A regardless of the amount of the refund. 2 U.S.C. §434(b)

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,

Edward D. Ryan
