The obligation to repay the Loans made pursuant hereto shall be evidenced by the Non-Revolving Line of Credit Note of Borrower payable to the order of Bank, dated as of the date hereof and delivered simultaneously herewith (together with all amendments, supplements or other modifications, the "Note"). The Note shall bear interest as provided therein.

The Borrower shall pay to the Bank on the date hereof a commitment fee in the amount of \$3,000.

ARTICLE 2. REPRESENTATIONS AND WARRANTIES

To induce the Bank to enter into this Agreement, and continuously and surviving until all amounts due to the Bank hereunder are paid in full, Borrower represents and warrants to the Bank that:

2.1 Organization. Borrower is a separate segregated political action fund for a labor organization, and duly organized, validly existing, and in good standing under the laws of the jurisdiction in which Borrower is formed; Borrower has the power and authority to own its properties and assets and to carry on its businesses as now being conducted and, in the case of a corporate Borrower, is qualified to do business in every jurisdiction in which it is required to qualify to do business or in which the failure to be qualified could result in a material adverse change in the operation or financial condition of Borrower. Borrower qualifies as a "Separate Segregated Fund" under the Federal Election Commission's regulations.

2.2 Power and Authority; No Conflict. The execution, delivery and performance hereof and of all other documents executed in connection herewith are within Borrower's powers, have been duly authorized, constitute legal, valid and binding obligations of Borrower enforceable in accordance with their terms, are not in contravention of any law, regulation, writ, injunction, decree of any court or governmental instrumentality or of any agreement or instrument to which Borrower is a party or by which Borrower is bound or, in the case of a Borrower which is a corporation, is not in contravention of its documents of formation or organization.

2.3 Authorization and Consents. No authorization, consent, approval, license or exemption of, and no registration, qualification, designation, declaration or filing with, any court or governmental department, commission, board, bureau, agency, or instrumentality,

domestic or foreign, is necessary to the valid execution and delivery of this Loan Agreement, the Note or any other documents evidencing or relating to the Loans.

2.4 Compliance with Law. The Borrower has complied in all respects with the provisions of every law, statute, regulation, decision, instrument or agreement by which it is bound, including, without limitation, the rules and regulations of the Federal Election Commission.

2.5 No Conflict. The execution and delivery of this Agreement and the other Loan Documents by the Borrower and the consummation of the transactions herein or therein contemplated or compliance with the terms and provisions hereof will not conflict with, constitutes default under or result in any breach of (a) the terms and conditions of Borrower's organizational documents, (b) any law or any regulation, order or decree of any court or governmental agency, or (c) any material agreement, instrument, order, writ, judgment, injunction or decree to which the Borrower is a party or by which the Borrower is bound or to which it is subject, or will result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of Borrower pursuant to the terms of any such indenture or agreement or instrument, except as contemplated by the provisions of this Agreement, and does not and will not require the approval or consent of any federal regulatory body or of any state or local commission or authority having jurisdiction with respect thereto, unless such approval has been obtained and is in full force and effect on the date hereof.

2.6 Enforceable Obligation. This Agreement has been duly and validly executed and delivered by Borrower and constitutes a valid and legally binding obligation enforceable in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to or affecting the enforcement of creditors' rights. The Note, when duly executed and delivered by Borrower pursuant to the provisions hereof, and the other Loan Documents, are, and at all times will constitute, valid and binding obligations of Borrower enforceable in accordance with the terms thereof.

2.7 Financial Condition.

2.7a No Non-Disclosed Material Liabilities. Except for its obligations to the Bank hereunder, the Borrower has no material liabilities, direct or indirect, fixed or contingent.

2.7b Borrower's Solvency. As of the date of this Agreement, the Borrower is solvent (the sum of the Borrower's assets exceeds the sum of the Borrower's liabilities excluding liabilities to insiders) on a balance sheet basis and the Borrower is paying its debts as they become due.

2.7c Financial Statements. The Borrower has delivered to the Bank copies of its financial statements which are complete and correct and fairly present the financial condition of the Borrower, as of the dates and for the periods referred to and have been prepared in accordance with generally accepted accounting principles consistently applied throughout

the periods involved. Since the date of the financial statements, there has been no material adverse change in the financial condition of the Borrower.

2.8 Litigation; Proceedings; Title to Property. There are no legal actions or proceedings (including those for unpaid taxes) pending or, to the knowledge of Borrower, threatened against or affecting Borrower before any court or any governmental authority or agency which questions the capacity or authority of Borrower or its ability to execute and deliver and perform the provisions of this Agreement or the Note or the other Loan Documents or the result of which might substantially impair Borrower's operations or financial condition or its ability to repay the Note. To the best of its knowledge Borrower has complied with all applicable statutes and regulations of all governmental authorities having jurisdiction over Borrower. The Borrower has good title to its properties and assets.

2.9 Environmental Considerations. (a) The Borrower has no knowledge of or reason to believe or suspect that there has been any use, generation, manufacture, storage, treatment, disposal, release, or threatened release of any hazardous waste or substance by any prior owners or occupants or operators of the Borrower's properties, and (b) Borrower has no knowledge of or reason to believe or suspect that there is any actual or threatened litigation or claims of any kind by any person or entity or agency regarding such matters and properties. Neither the Borrower nor any agent, tenant, contractor, or other authorized user shall permit, authorize, or tolerate the violation of any environmental law or regulation nor the use, generation, manufacture, storage, treatment, disposal, release, or threatened release of any hazardous waste or substance by any person on, under, or about any of Borrower's properties. These representations and warranties are based upon Borrower's due diligence in investigating its properties. The Borrower hereby (a) releases and waives any claims against the Bank for indemnity or contribution in the event the Borrower becomes liable for costs of response or cleanup under environmental laws or regulations, and (b) agrees to indemnify and hold harmless the Bank from any and all claims, losses, liabilities, damages, penalties, and costs which the Bank may directly or indirectly sustain or suffer resulting from a breach of this Agreement or from the use, generation, manufacture, storage, treatment, disposal, release, or threatened release of any hazardous waste or substance by any person on, under, or about any of Borrower's properties, whether or not the same occurred before or during Borrower's acquisition of such assets or any subsequent foreclosure or repossession of the Borrower's properties and whether or not such should or should not have been known to Borrower. The provisions of this Section of this Agreement, including the obligation to indemnify and hold harmless, shall survive the payment of the Loan and satisfaction of this Agreement and shall not be affected by the Bank's acquisition of any interest in any of Borrower's properties, whether by foreclosure or otherwise.

2.10 Ownership of Properties and Assets. Except as contemplated by this Agreement or as previously disclosed to the Bank in writing, Borrower owns all of its properties and assets free and clear of all liens and security interests, and Borrower has not executed any security agreements or financing statements relating to such properties and assets. All of Borrower's properties are titled in Borrower's legal name, and Borrower has not

executed, used, or filed a financing statement under any other name for a period of five (5) years.

2.11 Correct Name; Offices. The Borrower's legal name is that name reflected in this Agreement.

2.12 Truth-In-Lending. The Loans reflected in this Agreement are for commercial and business purposes only, and as such, require no disclosures under Federal Regulation Z, also known as Truth-In-Lending.

2.13 Regulations G, T, U or X. The Borrower is not engaged in the business of purchasing or selling margin stock (as defined in Regulations G, T, U or X issued by the Board of Governors of the Federal Reserve System) or extending credit to others for the purpose of purchasing or carrying margin stock, and no part of the proceeds of any borrowing hereunder will be used to purchase or carry any margin stock or for any other purpose which would violate any of the margin regulations of such Board of Governors.

ARTICLE 3. SET-OFF AND SECURITY

As security for the payment of all Bank indebtedness arising under this Agreement and any other indebtedness of Borrower to the Bank, whether now existing or hereafter arising, in any capacity whatsoever:

3.1 Set-Off; Property Deposited with or in Possession of the Bank. The Borrower hereby grants to the Bank a lien and contractual and possessory security interest for the amount of all of Borrower's indebtedness to the Bank, existing at any time, upon the Loan proceeds hereunder and in any property, credits, securities (including dividends and other distributions thereon and subscription rights incident thereto) or monies which may at any time be delivered to, or be in the possession of, or owed by the Bank in any capacity whatever, including the balance of any deposit account maintained by the Borrower with the Bank. Upon an Event of Default, the Borrower hereby authorizes the Bank, at any time and from time to time upon demand, at the Bank's option, to apply, at the discretion of the Bank, to the payment of the Bank indebtedness, any and all such property, credits, securities or money now or hereafter in the hands of the Bank or belonging or owed to the Borrower.

3.2 Assignment. The Borrower shall assign to the Bank pursuant to the terms of the Assignment, Security and Pledge Agreement dated as of the date hereof, all of its right, title and interest under to pledged future receipts and shall assign to the Bank all financing statements as requested by the Bank.

3.3 Definition of Loan Documents. This Agreement, the Note, the Assignment, Security and Pledge Agreement and all documents executed hereunder or in connection herewith, and all amendments, extensions, renewals, substitutions, replacements and joinders thereof and thereto are collectively referred to as the "Loan Documents."

The Borrower will pay or cause to be paid all taxes, assessments and other governmental charges to which Borrower or its properties are or shall be subject before such charges become delinquent and evidence of such payments shall be submitted to the Bank within thirty (30) days of such payment, except that no such charge need be paid for so long as its validity or amount shall be contested in good faith by appropriate proceedings duly prosecuted and Borrower shall have set up on its books such reserve with respect thereto as shall be dictated by sound accounting practices.

4.3 Maintenance of Assets and Collateral. The Borrower will maintain its properties and assets in good order and will do all things necessary to cause the Bank to obtain and maintain a perfected security interest in all collateral required or contemplated in this Agreement.

"Prime Rate" as that term is used herein means the interest rate per annum announced from time to time by Bank at its principal office in Pittsburgh, Pennsylvania as its then prime rate, which may not be the lowest rate of interest charged by Bank to other borrowers. If any amount of principal due under this Note or otherwise is not paid by Maker when due (whether at the stated payment date, at the stated maturity of this Note, by acceleration, on demand, or otherwise), such amount shall bear interest until paid at a rate per annum which is three percent (3%) above the rate of interest applicable to this Note immediately prior to maturity. If any payment due under this Note (whether at the stated payment date, at the stated maturity date, by acceleration, on demand, or otherwise) is more than fifteen (15) days late, Maker shall pay Bank a late charge equal to five percent (5%) of such late payment. The foregoing late payment fees and default rate of interest shall be immediately due and payable without demand or notice by Bank.

The aforesaid interest rates shall continue to apply whether or not judgment shall have been entered on this Note.

In the event that, but for this paragraph, the rate of interest applicable to this Note would at any time exceed the maximum lawful rate, then this Note and all interest hereon shall thereupon be immediately due and payable.

All loans made by Bank to Maker pursuant to the Loan Agreement and all payments and prepayments on account of the principal and interest thereof shall be noted by Bank in its records; provided, however, that the failure of Bank to make any such notation shall not limit to or otherwise affect the obligations of Maker hereunder.

This Note is the Note referred to in and issued pursuant to the Loan Agreement. The Loan Agreement contains among other things provisions for the acceleration of the stated maturity of this Note upon the happening of certain events recited therein and also for prepayments on account of the principal hereof prior to maturity.
