Item #1:

In a year-end audit of expenditures, the organization determined that a web hosting expense and some additional production/placement fees had not been included in the totals previously reported to the FEC. After consulting with reports analyst Jessica Grainger, the 48-Hour reports originally filed in March 2016 (and amended in May 2016), the April Quarterly report (originally filed in May 2016 and amended in February 2017), and the Year-End Report (originally filed in January 2017) were all amended to reflect the updated totals.

Item #2

As previously reported in all FEC Form 99s filings, no individual or organization has made a contribution or donation in 2016 to further an independent expenditure.
