REFERENCE: 30 DAY POST-GENERAL REPORT (10/20/2022 - 11/28/2022)

Dear T D Robertson:

This statement is in response to the Commission's letter to the Committee dated April 16, 2023, regarding two (2) items.

First, the Commission's letter requests clarification regarding contributions from ten (10) contributors that appear to exceed federal contribution limits. Six (6) contributors had their excess contributions refunded to them. Two (2) contributors had their excess contributions returned to a joint fundraising committee ("JFC") in which the Committee participates for proper reallocation. One (1) contributor had a portion of his excess contributions returned to a JFC in which the Committee participates for proper reallocation and the remainder refunded. All of the above-referenced contribution refunds and JFC returns will be reflected on the 2023 July Quarterly Report. The Committee has confirmed that Evans Nwankwo and Ngozi Nwankwo are two different individuals.

Second, the Commission's letter requests clarification regarding twelve (12) apparent "last minute" contributions reported on the Original Report but which appear not to have been disclosed on a 48-Hour Notice. The Committee filed Amended 48-Hour Notices on 12/08/2022 to disclose all of the referenced contributions.

Please feel free to contact us if you have any further questions.

Sincerely,

Bradley Crate

Treasurer
