REFERENCE: MID-YEAR REPORT (01/01/2021-06/30/2021)

Dear Mr. Fortkiewicz,

This statement is in response to the Commission's letter to the Committee dated October 28, 2021, requesting additional information on four items related to the above-referenced report (the "Original Report"). Contemporaneously with this submission, the Committee is filing an Amended Mid-Year Report (the "Amended Report").

First, the Amended Report corrects any negative aggregate year-to-date totals reflected on the Original Report.

Second, in regard to the contribution refunds disclosed on Line 28(a) of Schedule B identified in the Commission's letter, a software upload error caused the original contributions to be unitemized on the Original Report. The Committee has itemized those contributions on the Amended Mid-Year Report.

Third, on January 6, 2021, the Committee paid in full the outstanding balance of the debt obligation referenced in the Commission's letter. This disbursement, in the amount of \$1,804.65, was reported on Line 29 of Schedule B on the Original Report, and the Committee has updated the status of the debt on Schedule D of the Amended Mid-Year Report.

Fourth, the credits for debts owed on Schedule D reflect corrections to the previously reported estimated balances, which the Committee had overestimated based on the information available to it. These debts have been extinguished.

Please feel free to contact us if you have any further questions.

Sincerely,

Bradley T. Crate
Treasurer
