Reference: Amended Mid-Year Report (1/1/93-7/10/93)

Dear Mr. Story:

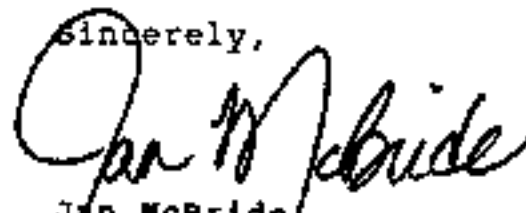

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Line 11(a)(1) of the Detailed Summary Page of your report discloses a total of \$16,800 in contributions from individuals. The sum of the entries itemized on Schedule A, however, indicates the total to be \$15,800. Please amend your report to clarify the discrepancy.

-Schedule A of your report discloses aggregate year-to-date totals for contributions received from individuals and political action committees which appear to be incorrect. Please be advised that federal regulations require aggregate year-to-date totals to include only those contributions which are received during the calendar year. In the event that the aggregate year-to-date total is incorrect, please note that federal regulations also require the disclosure of all contributions received from individuals who have contributed over \$200. 11 CFR §104.3(a)(4)

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,
