RE: 12 Day Pre General Report

Dear Mr. Jones

I am in receipt of your letter dated November 9, 2022 regarding the aforementioned report.

Please be advised this report has been amended to reflect the reattribution that was not reflected on the original report for the following contributor: Orpha Haag. This was an inadvertant omission due to a data entry error for the date. In review of our records the contributors listed on your letter: James Daley, Kelvin Hedrick and Gerald Pando do not appear on your listed amounts, nor in our records, to have excessive General totals. All other contributors listed on your letter have already been refunded and those refunds were reflected on the Post General report filed on 12/9/2022.

At this time our committee believes to be in compliance.

Cameron Phillips

Treasurer
