Dear Andrea Chamorro,

In response to the Request for Additional Information sent by the Federal Election Commission to Sam Graves Victory Fund (C00588822) regarding this Committee's Amended 12 Day Pre-General Report, the Committee submits this letter.

When reconciling the Committee's bank account for the following report, the 30 Day Post-General, the Committee determined that there were two missing contributions from the Pre-General filing. To ensure a proper reflection of cash-on-hand, the Committee amended the Pre-General report to account for and disclose those contributions. The Committee has discussed with staff at length about updating donor files for reporting purposes in accordance with the Federal Election Commissions regulations.

Sincerely,

Sam Graves Victory Fund
