REFERENCE: AMENDED 30 DAY POST-GENERAL REPORT (10/17/2024 - 11/25/2024), RECEIVED 12/04/2024

Dear Ms. Sugarman,

Thank you for your letter dated January 6, 2025, regarding the referenced report.

Per our conversation with a senior analyst from your office, we have amended the referenced report to reflect the "split entry" method of memorializing conduit contributions, rather than solely listing the batch disbursements from ActBlue as memo entries.

Previously, we followed the batching approach for conduit entries based on the guidance provided by our assigned analyst. However, we understand that due to a recent change in internal requirements-based on a contribution threshold that was not disclosed to us-our reports must now utilize the split entry method.

Additionally, the amended report includes several contributions that were inadvertently omitted from the previous version. We have ensured that all contributions are now accurately reflected.

As the senior analyst explained, this requirement applies only to the Post-General report and all future filings. There is no need to amend any prior reports. Moving forward, we will ensure that all applicable reports comply with this updated reporting standard.

Please let us know if you need any further clarification.

Sincerely,

LaShea Mclver
