In response to the RFAI dated 12/15/2021 specifically questioning:
Schedule B supporting Line 20(a) discloses a refund of a contribution received from Heather Sweitzer. However, it appears that your committee did not report the receipt of the original contribution. Please amend the appropriate report(s) to disclose the original contribution or provide clarifying information. (52 U.S.C. 30104(b) (formerly 2 U.S.C. 434(b)) and 11 CFR 104.3(a) & (b))

1.On September 24, 2021, Heather Sweitzer contributed \$2,900 to the Committee through its online processor, Anedot.
2.On September 29, 2021, Heather Sweitzer contacted the Committee through Anedot to explain her intent was to donate \$25 as there had been some confusion with the online donation platform.
3.On September 29, 2021, the Committee, unable to process a partial refund through Anedot, wrote a partial refund check to Ms. Sweitzer in the amount of \$2,875.
4.Both the receipt and the disbursement data were entered into the Committees third-party campaign finance software at the time of receipt and disbursement, respectively.
5.When the report was created for the period, because Ms. Sweitzers aggregate contribution total was in fact \$25 (\$2,900 receipt less \$2,875 contribution refund disbursement), because both the receipt and the disbursement occurred within the same reporting period, Ms. Sweitzer was not itemized on Schedule A. Ms. Sweitzers contribution, \$25, is accounted for and reported on Line 11(a)(ii) of the Detailed Summary.
6.The Committee relied on the internal rules engine of the third-party campaign finance software for its reporting of these transactions. Notwithstanding, the third-party vendor as well as the Committee further confirmed how to accurately report with the FEC.
