Reference 12 Day Pre- General Report (10/01/2022-10/19/2022)

To Whom It May Concern:

We are in receipt of the letter from the Commission regarding the above referenced report. Please see below for our complete response.

Our committee does have in place a system that meets the best efforts standard established by the Commission. All of our original solicitations have the request for employer and occupation information on them. We inform the potential donor that we are required by federal law to request this information. For the donors that do not provide that information, we automatically send them a written request for it within 30 days. This follow up does not request any additional monies, includes a pre-addressed return envelope and again informs the person of the federal requirement for requesting this information. Finally, we add the new information to our database and include it in amended reports filed with the commission and subsequent reports going forward.

Additionally the 48hr notice donations referenced in the RFAI as missing from the Post General report, were originally reported incorrectly. There was an amended 48hr notice filed on 12/5 that went to correct and note the mistake.

Thank you for the opportunity to respond. Please contact us if you need any additional information.

Sincerely,
Paul Kilgore, Treasurer
Guy for Congress
