To Whom It May Concern:

We are in receipt of the Commission?s letter regarding the above reference report. Please see below our complete response.

Our committee is aware of the regulations regarding corporate contributions, individual contribution limits and accepting contributions from LLCs. As a part of our process, we regularly obtain the documentation required to ensure that we are compliant. During the period covered by this report, our committee was transitioning to a new treasurer. Due to this fact, the documentation for these specific transactions was not obtained in a timely manner. The excessive contribution as well as the LLC checks will be refunded and reported on our next regularly scheduled report.

Our committee does have in place a system that meets the best efforts standard established by the Commission. All our original solicitations have the request for employer and occupation information on them. We inform the potential donor that we are required by federal law to request this information. For the donors that do not provide that information, we automatically send them a written request for it within 30 days. This follow-up does not request any additional monies, includes a pre-addressed return envelope and again informs the person of the federal requirement for requesting this information. Finally, we add the new information to our database and include it in amended reports filed with the commission and subsequent reports going forward.

Thank you for the opportunity to respond.

Best regards,
Palazzo for Congress
